

FOOD IN GERMAN

Master German food vocabulary, for culinary discussions and dining experiences.

vocabulary

In this post, we'll have a look at food vocabulary in German. Whether you want to order a meal at a German restaurant or just understand a recipe you've found on Youtube, we'll cover the most important words in this post.

This article just focuses on food & meals in German. We have separate posts on [German drinks vocabulary](https://www.sloeful.com/german/food-vocabulary) or how to [order a coffee in German](#).

German Food Vocabulary

Let's start with some very common words.

▷ das Essen	food
▷ die Vorspeise	starter
▷ das Hauptgericht	main course
▷ der Nachtisch	dessert
▷ der Snack	snack
▷ die Suppe	soup

Meat Vocabulary

German vocabulary related to meat is an essential aspect of the language for anyone interested in cooking, eating, or discussing food in a German-speaking context. The general word for "meat" in German is "Fleisch", which can refer to the flesh of any animal used as food.

Some common types of meat in German include "Rindfleisch" (beef), "Schweinefleisch" (pork), "Lammfleisch" (lamb), and "Geflügel" (poultry).

▷ das Fleisch	meat
▷ das Rindfleisch	beef
▷ das Hähnchen	chicken
▷ der Schinken	ham
▷ die Wurst	sausage
▷ das Hackfleisch	minced meat

Show all words

There are also some useful German verbs that are used to describe different methods of cooking meat, such as "braten" (to roast or fry), "grillen" (to grill), and "schmoren" (to stew).

Popular dishes in German cuisine that feature meat are "Schnitzel" (breaded and fried meat), "Currywurst" (sausage with curry-flavored ketchup), and "Bratwurst" (grilled sausage).

Fish & Seafood Vocabulary

In German, seafood is referred to as "Meeresfrüchte" - which literally means "fruits of the sea".

Some common types of seafood in Germany include "Fisch" (fish), "Krebse" (crabs), "Muscheln" (mussels), and "Krabben" (shrimp). Here is a list of German seafood vocabulary:

▷ die Forelle	trout
▷ der Fisch	fish
▷ die Auster	oyster
▷ die Garnele	prawn
▷ die Krabbe	crab
▷ der Hummer	lobster

Show all words

Seafood is often served in restaurants as a main course, and it is also a popular ingredient in traditional German dishes such as "Fischbrötchen" (fish sandwiches) and "Krabbencocktail" (crab cocktail).
